

Ref/Subj: Permission To Use Data Format Documentation

Date: 14Apr2018

Author: Darryl Symonds

To whom it concerns,

Teledyne RD Instruments (TRDI) hereby provides permission to copy and include the data format for TRDI NB150 and WH300 raw data formats in the archives at NOAA. This permission is solely for the purpose of documenting the formats of TRDI ADCP data that is being archived.

Sincerely,
Darryl
